

Callaway Golf Wants You To Win Phil Mickelson's Paycheck

Golfers Can Demo a Big Bertha Driver and Enter to Win What Phil Mickelson Wins at Pinehurst®

CARLSBAD, Calif., May 22, 2014 /PRNewswire/ -- Demoing Callaway Golf Company's (NYSE: ELY) new Big Bertha clubs can help golfers pick up more distance, and now gives them a chance to win the same dollar amount as Phil Mickelson's official prizewinning paycheck at the Pinehurst event on June 12, 2014-June 15, 2014 (up to a maximum of \$1.5 million US dollars, the estimated first place winnings). Callaway this morning announced "The Big Big Bertha Payday," a promotion that starts today in the US and Canada. Golfers that demo a Big Bertha Alpha Driver, a Big Bertha Driver or a Big Bertha Fairway Wood at a participating location will receive a code that they can use to enter for a chance to win the same dollar amount that Phil Mickelson wins at the season's second major championship.

The Big Bertha Alpha is the first golf club with four independent forms of adjustability, and the first to include adjustable vertical Center of Gravity. The Big Bertha Driver, a total performance driver, debuts an innovative sliding weight that is positioned around the perimeter of the driver head to help produce longer, straighter drives. And the Big Bertha Fairway Wood's faster ball speeds across the face are a result of the lighter, thinner Hyper Speed Face Cup.
