CARLSBAD, Calif., Aug. 27, 2020 /PRNewswire/ -- Phil Mickelson put on a dominant performance and cruised to a debut Champions Tour win on Wednesday at the Charles Schwab Series with Callaway Golf (NYSE: ELY) equipment and an Odyssey Putter. In an impressive showing from tee-to-green, Mickelson shot 61-64-66 to capture a four-shot, wire-to-wire victory.

With the combination of his trusted Callaway Chrome Soft X Triple Track Golf Ball and MAVRIK Driver, Mickelson led the field in driving distance for the week, averaging 323.7 yards off the tee. His golf ball features Callaway's innovative Triple Track Technology, which utilizes Vernier Hyper Acuity for improved putting alignment and accuracy. Mickelson has been playing with Triple Track Technology on his ball since the beginning of 2019.

His winning driver is engineered with Callaway's A.I. designed Flash Face SS20 to promote fast ball speeds across a more expansive area of the face. Led by the success and popularity of their MAVRIK Drivers, Callaway continues to be the #1 Driver Brand across the major worldwide professional Tours.

"This week is a great example of why I use Callaway equipment," Mickelson said. "I hit so many bombs with my driver, and I have a ton of confidence in my golf ball. I'm feeling really good about my game going forward."
