

Callaway Golf European Tour Win Streak Reaches Four Straight as Staff Pro Thongchai Jaidee Uses Prototype Fusion Driver, Prototype HX Tour 56 Golf Ball to Repeat at Carlsberg Malaysian Open

CARLSBAD, Calif.--(BUSINESS WIRE)--Feb. 22, 2005--Callaway Golf (NYSE:ELY) Staff Professional Thongchai Jaidee successfully defended his Carlsberg Malaysian Open title with a 21-under-par 267 performance last week, marking the fourth consecutive victory on the European PGA Tour by a Callaway Golf staff professional. In addition, three of the top five finishers were Callaway Golf staff professionals.

Jaidee, a former paratrooper in his native Thailand, used a bag full of Callaway Golf equipment, including a prototype Fusion(R) Driver, Big Bertha(R) Strong-4-wood, X-18(R) Pro Series Irons, an Odyssey(R) TriForce(R) Putter, and the prototype HX(R) Tour 56 Golf Ball -- the same model fellow Callaway Golf staffer Phil Mickelson has used to shoot the three lowest rounds of his career and win three events, all in the last three months.

Jaidee's irons, the new X-18 Pro Series Irons, are the successors to the popular X-16(R) Pro Series Irons and feature the same patented core technologies that have made the Callaway Golf brand the perennial market leader: S2H2(R), Tru-Bore(R) Technology, and Variable Face Thickness (VFT(R)). Extreme Notch Weighting, a visible proprietary feature that raises each iron's Moment of Inertia (MOI) for increased stability and better results on off-center hits, combines with a deeper 360-degree Undercut Channel to achieve new heights of forgiveness.

Last year Jaidee became the first Thai golfer to win on the PGA European Tour. This year, he took a six-shot lead into the final round and added a two-under-par 70 on Sunday to win easily. The victory, the seventh of his career, moved Jaidee into fifth place on the European Tour Order of Merit. Callaway Golf staffers continue to dominate the top spots on the Order of Merit, with Niclas Fasth (1), Charl Schwartzel (2), Nick Dougherty (3), and Thomas Bjorn (4).

Jaidee's victory marked the first time since such records began being kept by Sports Marketing Surveys in 1995 that pros representing the same manufacturer have won four straight tournaments. Callaway Golf staffers have now won five of the last six events on the PGA European Tour, with Jaidee's win coming on the heels of victories by Dougherty in Singapore three weeks ago, Craig Parry two weeks ago in Australia, and Fasth last week in New Zealand.

The prototype HX Tour 56 Golf Ball and prototype Fusion Driver used by Jaidee and other Callaway Golf staffers will be available at retail by Summer 2005. Shipping dates will be announced soon. For more information go to
